ABOUT US

BEGINNING...

Miinox Wares began with the development of the Standard Feeding Pet Dish and Standard Non-Skid Anti-Skid Bowls. This product has brought the importance of ergonomically correct eating positions for your four legged furry friends. Miinox Wares continues to provide the market's leading products. They improve posture and comfort, and minimize stress and damage to joints and muscles.

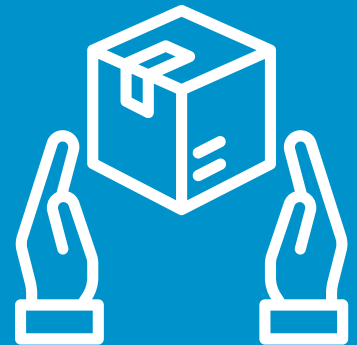

COMMITMENT...

Since founding, Miinox Wares Company in 2004, We have dedicated extensive amounts of time to the understanding of pet aging and its critical link to nature. Along with proper nutrition, mental stimulation, physical exercise and veterinary care, Miinox Wares products help to maintain your pet's health and wellness.

PRODUCTS...

Since the beginning, our goal has not changed – to develop and market high quality, innovative products for improving the health, safety, comfort and enjoyment of pets. We strive to develop truly unique and innovative products – in fact, almost all of our products are unique, and are the only ones of their kind in the marketplace. This unique product design process begins by looking at the health, behavioural and lifestyle needs of pets and owners. By finding original ways to fill these needs, we offer problem-solving solutions to petowners – and highly marketable products to retailers. In addition, Miinox Wares products have won numerous industry awards.

MARKET LEADERSHIP...

Specifically, we have become a leader in Healthy Feeding Systems to improve the health and comfort of your pet, that provide fun, rewarding mental and physical challenges. Miinox Wares products are recommended by leading veterinarians, trainers and caring pet owners. The Miinox Wares product line has grown extensively – and is still growing. Our customers and retailers look to us to provide the most innovative products for their pets, and we will continue to introduce these leading products to the marketplace.

ABOUT US
